PETITION FOR CORRECTION OF
INVENTORSHIP UNDER 37 C.F.R. § 1.48(B)

S I R:

Although the correct inventors were named in the nonprovisional application when filed, prosecution of the application has resulted in the cancellation of claims so that less than all of the originally named inventors are the actual inventors of the invention being claimed in the present application. Therefore, an Amendment filed concurrently herewith deletes the name of Marc COOPERMAN as an inventor. Marc COOPERMAN's invention is no longer being claimed in the application.

The Office is hereby authorized to charge \$130.00 pursuant to 37 C.F.R. § 1.17(h) and any additional fees or credit any overpayments under 37 C.F.R. § 1.16 or § 1.17 to Deposit Account No. **11-0600**. A duplicate copy of this paper is attached.

Respectfully submitted,

A handwritten signature in black ink that reads "Patrick Buckley". The signature is fluid and cursive, with the first name "Patrick" and last name "Buckley" clearly distinguishable.

Patrick Buckley (Reg. No. 40,928)

Dated: July 2, 1998
